Ordering & Terms

WHAT TO KNOW BEFORE YOU ORDER

Customisation

Every product can be adapted to your specifications — dimensions, wood species, finish, and engraving. Send drawings or references with your enquiry and we will quote accordingly.

Handmade variation

Each piece is cut, shaped, and finished by hand. Expect minor variance in size, grain, and inlay tone from one unit to the next. This is inherent to the craft and is not a defect.

Shipping

Pan-India and worldwide shipping is available. Freight, insurance, and duties are quoted on request based on destination and volume.

Branding & laser work

Private labelling, laser-engraved logos, and custom gift packaging are available for bulk orders. Set-up fees may apply for new artwork.

Minimum order

Standard MOQ is 50 units per SKU. Mixed-SKU consolidated orders can be arranged — enquire for details.

Samples

Sample units are available against payment and are deductible from a subsequent confirmed order.
