Craft for the heart of the home.

AN INTRODUCTION

Zarapie crafts solid sheesham and mango wood objects for the kitchen — spice boxes, dry-fruit trays, serving platters, casseroles, bowls, glasses, and mortars — produced by artisans across India and shipped worldwide to retailers, gift stores, and specialty buyers who value durable, handmade goods.

Every piece in this catalogue is shaped, finished, and polished by hand. Sizes are indicative; grain, tone, and inlay will vary slightly from one piece to the next — the signature of genuine craft.

Ordering & Terms

WHAT TO KNOW BEFORE YOU ORDER

Customisation

Every product can be adapted to your specifications — dimensions, wood species, finish, and engraving. Send drawings or references with your enquiry and we will quote accordingly.

Handmade variation

Each piece is cut, shaped, and finished by hand. Expect minor variance in size, grain, and inlay tone from one unit to the next. This is inherent to the craft and is not a defect.

Shipping
